RE: 350 skids and 206 skids

David and he would allow us to use a RTV product to bond the Plugs into the Skidtube.

Plugs would require:
oval from the Skidtube
oval of the current O-Ring

terday that plugs were falling out. Today we were told that we cannot ship any 350 skids. We have an order to ship today, has there been a solution
(this problem? Can we not just sikaflex them in or something? We need to let the customer know if his order is shipping or not...
